HITACHI EXCAVATOR UNDERCARRIAGE PRODUCT GUIDE

HITACHI

TOUGHER THAN TOUGH: UNDERCARRIAGE PRODUCTS

Born from the strategic collaboration between Wajax and Viking West, and proven in real world conditions, the National undercarriage product line stands as a testament to its worthiness of the prestigious National brand name. This remarkable product line delivers unparalleled value to Hitachi excavator owners and operators.

Distinguished by an unwavering commitment to quality, the National undercarriage product line showcases cutting-edge design and manufacturing technologies. Each component undergoes rigorous testing, ensuring durability that withstands the harshest operating conditions.

Beyond excellence in design, manufacturing and field testing, the National undercarriage product line is supported by a dedicated team ready to provide unparalleled customer assistance and product support.

UNDERCARRIAGE PRODUCTS

National Undercarriage products are manufactured with precision and undergo rigorous testing to ensure their compatibility with Hitachi excavators.
